[redacted] also known as [redacted]  
[redacted] Nashville, Tennessee, telephone  
number [redacted] home address [redacted]  
[redacted] Nashville, Tennessee, was interviewed at his  
place of business and he provided the following information:

Just before Christmas, 1983, [redacted] a sales-  
man at BOB FRENSELY FORD, INC., 550 Charlotte Avenue, Nash-  
ville, Tennessee, contacted [redacted] regarding [redacted] purchasing  
three automobiles. [redacted] said that [redacted] also known as  
[redacted] a white male, about [redacted] years old, 5'9",  
250 pounds [redacted] had three 1983 Grand Marquis  
Mercurys with low mileage for sale. The asking price for  
the cars was \$9,500 a piece which is fairly close to their  
full wholesale value. Because of the uniqueness of the  
situation, [redacted] was afraid the cars might be stolen. [redacted]  
said that the cars were owned by a company in Florida and  
the three salesmen who used the cars had lost their car al-  
lowance and the company was going to replace them with  
company purchased cars. [redacted] made numerous inquiries with  
the NASHVILLE POLICE DEPARTMENT AUTO THEFT BUREAU and went  
so far as to call the dealership which had sold the cars  
initially. On each occasion that he made an inquiry he  
learned that the cars were paid for, were not stolen, and  
there was no reason for him not to purchase the cars. There  
was some problem with the price of the cars and so it was  
not until the first week of 1984 that [redacted] and [redacted] were  
able to negotiate a sale price. [redacted] agreed to pay \$8,000  
a piece for two of the cars and \$9,500 for the third car.

b6  
b7C

On January 5, 1984, [redacted] purchased the cars with  
a cashier's check in the amount of \$25,500 drawn on the  
FIRST AMERICAN BANK at Nashville. The remitter on the check  
was [redacted], the check was made payable to [redacted]  
[redacted] and a notation was made on the check that the check  
was for three 1983 Grand Marquis automobiles. [redacted] picked  
up the three cars at BOB FRENSELY FORD on the first Tuesday  
or Wednesday of 1984.

b6

[redacted] dealt only with [redacted] but he saw [redacted]  
out at BOB FRENSELY FORD on one or two occasions. Before

One car went to CROWN FORD in Nashville and two of them went to UNIVERSITY FORD in Murfreesboro. Enclosed for New Orleans is the original and one copy of an FD-302 reflecting an interview of [redacted] aka [redacted] Nashville, Tennessee. Also enclosed are Agent's interview notes.

During the course of the interview, no mention was made of the source in Miami who requested that his identity be protected.

[redacted] was afraid that the cars were stolen or had liens against them and contacted several people to determine whether or not they were in fact stolen or had liens against them. He gave no indication that he suspected that the source in Miami identified him as the purchaser of the cars.

Inasmuch as Miami and New Orleans do not wish the sellers to be alerted, no further investigation is being conducted and this matter is being placed in an RUC status.

**Claiming Convictions Other Than Federal:**

It is permissible to claim a local (state, county or local) conviction if the FBI's investigation significantly contributed to the successful local prosecution. A succinct narrative setting forth the basis for claiming a local conviction must accompany this report. When claiming a conviction other than Federal, enter the word "LOCAL" in the "Conviction-Section" block, disregard the number of conviction counts, but enter the sentence in the appropriate blocks. Enter "LF" in the "In-Jail" block for all life sentences and "CP" for all capital punishment sentences.

**Reporting Convictions:**

Convictions should not be reported until the sentence has been issued. There are two exceptions to this rule. The conviction information can be submitted by itself if:

- 1. The subject becomes a person after conviction but prior to sentencing.
- 2. The subject dies after conviction but prior to sentencing.

An explanation is required for either of the above exceptions.

**Rule 20 Situations:**

The field office that obtains the conviction (by the office of origin) is the office that should claim the conviction, not the office where the subject enters the plea in compliance with Rule 20 of the Federal Rules of Criminal Procedures.

**Investigative Assistance or Technical (IA/T) Used:**

-Since more than one IA/T could have contributed to the accomplishment, each IA/T must be rated.

-The IA/T used must be rated each time an accomplishment is claimed. (For example - if informant information was the basis for a complaint, an arrest, a recovery and a conviction and if separate FD-515s are submitted for each of the aforementioned accomplishments, the "Informant Information" block must be rated on each FD-515 even if it was the same information that contributed to all the accomplishments.)

Being returned to the Bureau are the following items of CCTV equipment:

1. Panasonic CCTV camera.
2. Fixed focal length, manual zoom CCTV lense.
3. Power supply for camera

This equipment is being returned in a damaged condition for cleaning and repair. On the night of 12/6/83, while this equipment was being utilized in captioned matter, it was damaged by severe thunderstorms and tornado force winds which struck the South Louisiana area. The equipment was subjected to considerable rain water and mud exposure after being blown from the protective enclosure during the storm.

Attempts by technical personnel to clean and repair the damage in the field were unsuccessful. New Orleans has, however, replaced the damaged equipment with equipment available in the division and the system is fully operational.

Any inquiry regarding the circumstances and the nature of the damage should be directed to SA                      at Baton Rouge, Louisiana.

The source advised that on the death of Noltz Theriot [ ] who is in [ ] took over all of the family business and responsibilities. He stated that it would be a radical change that "would not make any sense" if [ ] were to engage in any illegal business or corrupt activity.

Re: Coin Roll;  
Narcotics Matter

Please use the enclosed prenumbered forms for the below-listed court order and any extensions thereof.

The AOC has mandated that all Form 1 and Form 2 submissions beginning with new Title III court orders on or after 1/1/80 be submitted on the forms attached. AOC is authorized to issue binding regulations dealing with the content and form of the reports required to be filed under subsection (1) and (2) of Title 18, U.S.C., Section 2519.

The following procedural steps are to be followed in order to comply with the current instructions of the AOC, the Department of Justice, and the FBI:

Step 1 - FBIHQ ELSUR Index, upon becoming aware of a new Title III court order being signed, will, on a case-by-case basis, forward by airtel under the substantive case caption to the field office involved a prenumbered, precarboned Form 1 and Form 2 packet as provided by the AOC.

Step 2 - By return airtel under the substantive case title, the field office involved is to advise FBIHQ of the name of the prosecuting official making the Title III application and the name of the Special Agent who will then have the responsibility for completing the enclosed packet. This airtel should be submitted inside a sealed brown envelope clearly labeled "Director, FBI, ELSUR Index, FBIHQ."

Step 3 - Form 1 reports are to be submitted on or before the 30th day following the denial of a court order, or, in the case of the issuance of such an order, on or before the 30th day following the expiration of the order, including all extensions. The designated Special Agent and the prosecuting official will complete the Form 1 portion of the enclosed packet.

Step 4 - The prosecuting official shall then be responsible for providing the issuing Judge the Form 1 for his review, approval, and signature in order for the Court to forward the Form 1 to the AOC in compliance with Title 18, U.S.C., Section 2519 (1).

Airtel to SAC, New Orleans  
Re: Coin Roll;  
Narcotics Matter

Step 5 - The FBI has assumed the responsibility for the of the Form 2 (ply 3 of the enclosed packet) to the AOC in place submission of the prosecuting official as is indicated on the enclosed material. The Special Agent responsible for the completion of the Form 2 portion will retain, with no additional notations at the time, that portion (ply 3) in the exhibit section of the substantive file until the end of the calendar year in which the order terminated, at which time it will be submitted to FBIHQ ELSUR Index.

Step 6 - The Special Agent designated shall compile the statistics, costs, and results of the Title III in order to complete sections 7 through 11 of the Form 2.

Step 7 - At the end of each calendar year, FBIHQ will furnish instructions to all offices for the completion of the remaining portions of the Form 2 (sections 7 - 11) and the subsequent submissions of the form to FBIHQ ELSUR Index. Upon receipt of the Form 2s, FBIHQ will coordinate the preparation and submission of these forms to the AOC in compliance with the aforelisted statute.

The Special Agent responsible for coordinating with the prosecuting official supervising your recent court order dated [redacted] and responsible for completing the packet, must become totally familiar with the instructions and the format. The enclosed packet is prenumbered and accounted for, therefore, extreme care must be given to follow these instructions and eliminate retypes insofar as possible.

b3

In the event you have any questions regarding the completion of the enclosed packet, contact should be made with FBIHQ, ELSUR Index, extension 3300.

- B - Subjects wanted for crimes involving the loss or destruction of property valued in excess of \$25,000 or convicted of such crimes in the past five years.
- C - All others

**Claiming Convictions Other Than Federal:**

It is permissible to claim a local (state, county or local) conviction if the FBI's investigation significantly contributed to the successful local prosecution. A succinct narrative setting forth the basis for claiming a local conviction must accompany this report. When claiming a conviction other than Federal, enter the word "LOCAL" in the "Conviction-Section" block, disregard the number of conviction counts, but enter the sentence in the appropriate blocks. Enter "LF" in the "In-Jail" block for all life sentences and "CP" for all capital punishment sentences.

**Reporting Convictions:**

Convictions should not be reported until the sentence has been issued. There are two exceptions to this rule. The conviction information can be submitted by itself if:

- 1. The subject becomes a fugitive after conviction but prior to sentencing.
- 2. The subject dies after conviction but prior to sentencing.

An explanation is required in the Remarks section for either of the above exceptions.

**Rule 20 Situations:**

The field office that obtained the process (normally the office of origin) is the office that should claim the conviction, not the office where the subject enters the plea in cases involving Rule 20 of the Federal Rules of Criminal Procedures.

**Investigative Assistance or Techniques (IA/Ts) Used:**

-Since more than one IA/T could have contributed to the accomplishment, each IA/T must be rated.

-The IA/T used must be rated **each time** an accomplishment is claimed. (For example - if informant information was the basis for a complaint, an arrest, a recovery and a conviction and if separate FD-515s are submitted for each of the aforementioned accomplishments, the "Informant Information" block must be rated on each FD-515 even if it was the same information that contributed to all the accomplishments.)

On 2/7/84 [redacted] State of Florida, State Attorney's Office, Organized Crime and Political Corruption attorney advised he was prosecuting a case on [redacted]

[redacted] at Miami, Fla.  
[redacted] was arrested June 30, 1982 and is presently on bond. The charge is one count conspiracy to import drugs. The case resulted from a State operated wire tap. The case was appealed and on 2/4/84 the Florida 3rd district court of appeals upheld the wire and trials will begin shortly. [redacted] was identified on the wire as being the pilot.

His co-defendants are [redacted] and two former Miami policemen. [redacted] The wires reflected that [redacted] had flown several loads of cocaine in a DC-3 into the Bahamas.

b6

[redacted] advised that although no trial date was as yet set it would probably be in a month. He stated he did not have that strong a case on [redacted] and would cooperate with the FBI if it was desired to stall prosecution or even enter into some kind of plea agreement if it would help us get to someone higher up. While in New Orleans I conferred with SOG Coordinator [redacted] I reviewed surveillance logs and FD-302's. I conferred with SA's [redacted] re their case involving [redacted] also a subject of my case. I was in telephone contact with [redacted] State of Florida, Organized Crime and Political Corruption Group, Florida AG's Office re a pending State of Florida case on [redacted] which we need to know about.

I reviewed several intercepts and played them for the [redacted] case agent.

I departed New Orleans at 4:10 P.M. At 5:25 P.M. I was at my residence. My residence is 11 miles from the office. To have driven in the morning 11 miles to the office to sign in only to leave and drive 11 miles toward New Orleans would be 22 miles of useless driving. On return from New Orleans that afternoon I practically drive past my residence. To drive past my residence 11 miles to the office to sign out and 11 miles back to my house would be another waste of 22 miles of driving.

The original Form 2, Docket Number 06587 was sent to the Administrative Office of the courts. The bureau instructions were to hold the document until next January and send them all in at once.

The US attorney's office called the lady in the Administrative Office of the court to get her to send the Form 2 back. This woman said she would just as soon keep the form and it was no problem. She said it was more of a problem to send it back and easier this way than getting them all at once any way.

Docket 06552 will be held and entered as per Bureau instructions
